Filed	:	Herewith	
TC/A.U.	:	1753	
Examiner	:	Alexander Noguera	
Docket No.	:	100/12330	
Customer No.	:	021569	
Title	:	MICROFLUIDIC METHODS, DEVICES AND SYSTEMS FOR IN SITU MATERIAL CONCENTRATION	

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Sir:

The references cited on the attached form PTO-1449 are being called to the attention of the Examiner. This application is a continuation-in-part of U.S.S.N. 10/206,386, filed July 26, 2002, which is a continuation in part of U.S.S.N. 10/013,847, filed October 30, 2001. All references cited in the attached form 1449 have been previously cited in these applications. Copies of documents are therefore not being provided pursuant to 37 CFR §1.98(d). If copies of the references are not available to the Examiner, the Examiner is invited to contact the undersigned.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Appl. No. To be Assigned
Ring-Ling Chien et al.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is made that a search has been conducted or that this statement encompasses all possible relevant information.

Applicants believe that no fee is required for submission of this statement, since it is being submitted within three months of the filing date or prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 03-0177. Please charge any additional fees or credit any overpayment to the above-noted deposit account.

Respectfully submitted,

Andrew L. Filler
